Riseam Sharples is a specialist property law firm that acts specifically in relation to property matters; we are not a general practitioner.

We are an experienced law firm primarily acting for investors and owner-occupiers acquiring residential property in London and England's major cities including Manchester, Birmingham, Liverpool and Leeds. The quality of our work and expertise is something that cannot be matched by general practices, automated conveyancing providers or for that matter some of the larger, corporate law firms.

We operate in accordance with the traditional West End ethos of fast, efficient advice on all aspects you need to be aware of including tax. Based in Covent Garden, we are conveniently located for personal meetings if you require. We are particularly experienced in the purchase of property in the course of construction and in connection with the sale of Contracts prior to legal completion.

Our firm consists of a team of over 60 lawyers and support staff including Senior Partner Clive Sharples and his Partners along with our dedicated China Team.

We provide a responsive and approachable service with great depth of experience going back over 50 years.

We can act quickly on your behalf and exchange Contracts for your purchase within the deadline imposed by the developer. However, we do not act for the developer and are wholly independent of them. Our advice seeks to protect your interests.
